Dear Vladislav,

Treasurer

Marcos Horton
(Argentina)

On behalf of the Board of the IFFS I am writing to thank you, your Executive Committee and the Organising Committee of the Meeting for your considerable efforts toward making our collaboration such a success.

Asst. Treasurer

Osamu Ishihara
(Japan)

By any measure the RAHR / IFFS joint meeting was a huge success. Visiting colleagues I have spoken to were unanimous in their positive opinion of all aspects of the scientific program and they were also very appreciative of the organisational arrangements. I also want to thank you for the hospitality shown to the faculty which contributed to a wonderful visit to St Petersburg.

Past President

Joe Leigh Simpson
(USA)

I particularly want to express our appreciation of the contribution of Anna Smirnova who has worked extremely hard to ensure the success of this meeting. Along with Tina, she deserves much credit.

Past President/Special Advisor

Basil Tarlatzis

I look forward to future collaborations between the IFFS and RAHR and we look forward also to the opportunity of continuing to support the progression of ART in Russia.
